AGENDA REPORT

City of Santa Clara, California

Agenda Item # 7C-6

DATE: September 8, 2008

TO: City Manager for Council Information

FROM: Director of Streets & Automotive Services

SUBJECT: Award to Santa Clara Valley Urban Runoff Pollution Prevention Program for the Green Gardener Training and Outreach Program

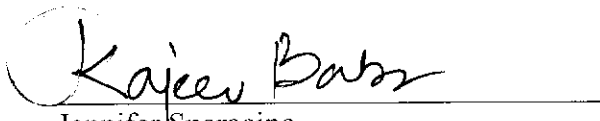

The California Stormwater Quality Association (CASQA) has chosen the Santa Clara Valley Urban Runoff Pollution Program's "Green Gardener Training and Outreach Program" to receive a CASQA award.

The mission of the CASQA Awards Program is to advance the stormwater quality management profession by identifying and recognizing exemplary leadership, outstanding projects, activities, and contributions to the field of stormwater quality management. After careful review and consideration of the nominations received, the Green Gardener Training and Outreach Program was selected for honors.

The CASQA Award will be presented on Tuesday, September 23, 2008 during CASQA's 2008 Annual Conference in Oakland. A representative of the Santa Clara Valley Urban Runoff Pollution Prevention Program will accept the award at the conference. In addition, a new release detailing the project and its selection for an award will be circulated.

Richard J. Mauck
Director of Streets & Automotive Services
